Legend and stitching order

A / G01 / #476774 / 21 crosses

B / G02 / #B87759 / 30 crosses

Generic palette references. Choose physical floss to match the swatches.

Use 2 working strands on 14-count Aida and a suitable blunt tapestry needle.

Keep upper diagonals consistent. End long carries across unstitched spaces.

Gift pairing, color swaps and fitted bases: follow the accompanying web guide.

For reversed colors, keep symbols: A becomes copper and B becomes teal.

Start from the center or a measured corner. Count every blank cell.

Test colorfastness before cleaning. Add mounting margins before cutting.

Digitally validated chart. Physical stitch testing has not been performed.

This individual chart uses local coordinates beginning at column 1, row 1.
